

SACRED ECHOES

Evaluate *your Journey*

WELCOME TO THE LISTENING SESSION

HERE ARE SOME THINGS TO THINK ABOUT BEFORE
YOU GO THROUGH THE AUDIOS

1. When did you first become aware of a tension or harmony between your queer identity and your spiritual life? What sound, place, or moment do you associate with that awareness?
2. What spiritual practices, rituals, or spaces have felt most affirming—or most challenging—to you as a queer person, and relationship with faith or spirituality?*
3. In what ways has your spirituality served as a source of resilience, resistance, or healing in the face of exclusion, stigma, or silence, and can you recall a specific moment when this felt especially true?
4. How do you navigate belonging both within queer communities and within spiritual or religious communities, and are there moments when you have felt fully seen in both, or must you choose between them?
5. If your queer spiritual journey had a soundtrack, what sounds, songs, chants, or silences would it include?
6. What do these sounds reveal about how you move through the world as a queer spiritual person?***
